SPROUT MATCHING GIFT INFORMATION

Did you know many companies offer a matching gift program to encourage philanthropy among their employees? Gifts from employees' spouses and retirees may also qualify for a match.

Contributions of any amount helps Sprout provide hope, healing, empowerment and recovery through partnerships with horses.

Check with your employer to see if your company participates in a matching gift program. By simply completing a matching gift form (on-line or paper), you may be able to double, or even triple, the impact of your gift!

Common Questions:

What are employee matching gift programs?

Employee matching gift programs are corporate giving programs in which the company matches donations made by employees to eligible nonprofit organizations. It's an easy way to double your contribution to us!

How do I request a matching gift?

Requesting a matching gift is normally a five-minute process which must be initiated by the donor. You can do this by filling out and submitting a paper match form provided by your employer or through an electronic submission process.

What if I still have questions?

For questions regarding your company's programs, please contact your employer's HR or community giving department.

For questions regarding submitting a matching gift or volunteer grant request to us, please contact us at info@sproutcenter.org.
